

BABA BRINKMAN

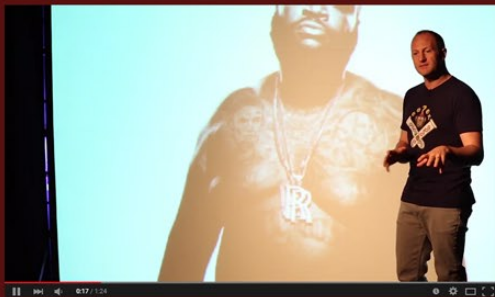

THE RAP GUIDE TO RELIGION

ONE PART RAP CONCERT, ONE PART COMEDY, ONE PART TED TALK. RELIGION EXPLAINED.

Baba Brinkman's hit off-Broadway show *The Rap Guide to Religion* explores the science of belief, tracing "the faith instinct" back to the evolutionary roots of our species. Just like rap concerts, religions are designed to "move the crowd" by any means necessary. Drawing from sources as diverse as scientific data, religious scriptures, and celebrity Oscar acceptance speeches, Brinkman reveals the hidden logic behind religious behaviour, from Jehova to Jay-Z (aka J-Hova).

Hailed as "a celebration of reason and science" (*Theatre Pizzazz*) for its ingenious presentation of faith as a natural phenomenon, *The Rap Guide to Religion* finds the humour and the inspiration in its subject, presenting the scientific study of religion as a basis for greater understanding and reconciliation across religious divides. The show recently ran for seven months off-Broadway in New York, garnering rave reviews, critics' pick selections from the *New York Times* and *Time Out New York*, and a Drama Desk Award nomination for "Unique Theatrical Experience".
